

HELMHOLTZ

An	nex 4
Naı	me of the candidate:
An	nex 4 a
Ca	reer development plan for the group leader:
the	ase specify the planned career development trajectory of the candidate at your Center (and partner university) below briefly. For more details, you can attach a career development to this document:
•	What are the qualification needs and requirements of the group leader (and further team members or the whole team, if applicable)?
•	What are the planned qualification measures (such as workshops, coaching, and mentoring)?

21. HIG 1

- Please name a contact person for the group leader to reflect his or her career path on a regular basis (at least once as part of the evaluation):
- What is the envisaged permanent position after positive evaluation? The President of the Helmholtz Association strongly encourages the Helmholtz Centers to offer group leaders, who have been evaluated positively, attractive leadership positions (i.e. with managerial responsibilities) and to support efforts to optain a professorship. The candidate must be informed about the envisaged career option before nomination.

Annex 4 b

Evaluation concept:

Please describe the planned evaluation process below briefly (a detailed evaluation plan can be attached to this document). A substantial participation of external reviewers is mandatory. The candidate must be informed about the evaluation process and the evaluation criteria before nomination. The final evaluation report has to be submitted to the head office at the end of the fourth funding year.

20. HIG 2
